# ThingSpace Manage home

The Home page provides a system overview, quick searches, filters, and handy navigation links. Use this page to get a snapshot of your account, total number of devices, and all connected, suspended, or deactivated devices.

For convenience, customizable and configurable pods can be arranged specifically to your business needs.

## Customizing the home page

Local navigation

View status and clickable links to Devices page

Search device ID to preload Devices page

View status and clickable links to filtered lists

Clickable links for quick navigation

Continue →

The screenshot shows the Verizon ThingSpace Manage home page. At the top, there is a navigation bar with the Verizon logo, 'Manage Account', and 'Support'. Below this is a secondary navigation bar with 'ThingSpace Manage' and a home icon, followed by links for 'Devices', 'Location', 'Software', 'Security', 'Diagnostics', 'Transactions', 'Reports', 'Alerts', 'Downloads', and 'Admin'. The main content area features six circular status indicators: 'All devices 456', 'Active 2 All', 'Active 0 Connected', 'Active 2 Not connected', 'Deactivated 432', and 'Suspended 6'. Below these is a search bar for device IDs with a search icon and a settings icon. The page is divided into four main sections: 'Transactions' (listing Success, Partial success, Failed, On Hold, and Cancelled, all with 0 counts, and a 'Request a transaction' button), 'Alerts' (listing Received alerts: 3, Unacknowledged: 3, and Acknowledged: 0), 'Reports' (listing 'New downloads available: 2' and a 'Run report' button), and 'Support' (with a help icon and text: 'See online help for tutorials, task instructions, and answers to frequently asked questions.'). At the bottom of each section are quick navigation icons: 'Transactions log', 'Alerts log', 'Alert rules', 'Default alerts', 'Downloads', 'Saved reports', 'Online help', 'Developer program', and 'Contact us'. The footer contains copyright information and links for 'About Verizon', 'Privacy policy', 'Terms and conditions', and 'Help'.

The screenshot shows the Verizon ThingSpace Manage home page. At the top, there is a navigation bar with the Verizon logo, 'Manage Account', and 'Support'. Below this is a secondary navigation bar with 'ThingSpace Manage' and a home icon, followed by menu items: 'Devices', 'Location', 'Software', 'Security', 'Diagnostics', 'Transactions', 'Reports', 'Alerts', 'Downloads', and 'Admin'. A dashboard section contains six circular pods: 'All devices 457', 'Active 3 All', 'Active 1 Connected', 'Active 2 Not connected', 'Deactivated 432', and 'Suspended 6'. Below the pods is a 'Devices' search bar with a search icon and a settings gear icon. A 'Customize page layout' dialog box is open, showing a list of widgets to be displayed or hidden. The dialog has a 'Cancel' button, a 'Default Layout' button, and an 'Apply >' button. The footer contains copyright information and links for 'About Verizon', 'Privacy policy', 'Terms and conditions', and 'Help'.

Pod	Count	Sub-category
